

WELCOME TO VIBE

Vibe Dance Center provides a fresh, innovative, and positive dance environment. Vibe allows dancers the opportunity to explore the art and creativity of dance while offering quality education in intimate class settings. Vibe's goal is focused on encouraging strength within the mind and body to create strong, smart, and kind dancers. Equality, respect, optimism, and open-heartedness is required by student and instructor to produce continuous growth in a loving environment.

Vibe Dance Center works towards
"Guiding Stronger, More Brilliant Dancers"

Vibe Dance Center's 2020-2021 dance season runs from Monday, September 21, 2020 through Sunday, May 2, 2021 and offers dance programs for ages 2+. Each class has limited availability. Please read, complete, and return your registration form along with your \$35 non-refundable registration fee and you will receive a **Vibe T-Shirt & Car Decal!**

Vibe is committed to offering a safe and consistent dance education for your child during our 2020-2021 dance season. We are taking the necessary precautions in order to continue in-person classes for your dancer this year. Let's all do our part to make this a fun and successful dance season!

- Safety Guidelines -

Dancers may enter the lobby 5-10 minutes prior to their class starting (no earlier). **Dancers may be accompanied by ONE parent.** Parents should only come in if necessary (for younger dancers, making payments, etc.). Dancers should be picked up promptly after class.

At this time, face masks are required inside the studio. We will take frequent water breaks during classes to allow dancers the opportunity to get some air and hydrate.

If anyone in your household is showing signs of sickness, please stay home. We will be flexible with our attendance policies as we take the health of our dance families very seriously.

Classes will be limited to 6-10 dancers. Inside the dance rooms, dancers will stand on tape marks 6-10ft apart to encourage social distancing. Equipment and contact between students/teachers will be limited.

Dancers will receive hand sanitizer before and after class. If your dancer has skin sensitivities, please bring your own or wash your hands before and after class.

We have added extra and more frequent cleaning procedures in order to do our part in keeping our families safe. Our water fountain and water fridge will remain closed (please bring your own water bottle), and all water breaks will be held inside the dance rooms to help keep our lobby clear.

COVID-19 SAFETY PRECAUTIONS: If your dancer or anyone in your family has been in contact with someone who has tested positive for Covid-19, your dancer is to stay home until they themselves test negative for Covid-19. The same applies to Vibe Instructors. If a class needs to be cancelled due to a teacher illness and a substitute teacher is not available, you will be notified by e-mail. Any class cancelled for this reason will be offered a make up date. If your dancer were to test positive for Covid-19, they are to stay home for 2-weeks and once they test negative they may return to class. The same applies to Vibe Instructors. Any class/es missed by students due to Covid-19 will not be refunded. If anyone at the studio were to test positive for Covid-19, we would send out a studio email to inform everyone and ensure that the studio is deep cleaned and sanitized before we allow anyone back into the studio. If any classes have to be cancelled for this reason, make-up classes would be offered. If absolutely necessary, we are prepared to shift to virtual lessons, however, with your help we're hoping to maintain in-person classes throughout our 2020-2021 season.

WHAT WILL CLASSES LOOK LIKE?: Dancers may come into the studio 5-10min before their scheduled class, no sooner. As of now, masks are required in Vibe's lobby & inside the studios for ages four and up. Once dancers place their outside shoes on the rug near the front door, dancers will either be directed to place their things in a cubby or on a bench (*please* practice social distancing). As soon as dancers are ready, they will be directed to grab their water bottles and wait outside their designated studio. They will receive a squirt of hand sanitizer as they enter the studio. From here they can social distance their water bottles at the front of the room and wait on our spaced out tape marks where they can warm-up/stretch while they wait for class to start. All drink breaks will take place inside the studio (please remember the water fountain and water fridge will be closed). Parents should only come into the studio if absolutely necessary to allow for more social distancing space for the dancers. If you have a younger dancer or dancer that is new to the studio, we understand that they might feel more comfortable with you there...and that's okay. If you need to stop in to visit the front desk, please do so during classroom hours versus during passing time. This will help keep our lobby clear. After class is complete, dancers will receive another pump of hand sanitizer on their way out of the studio. Please pick up your dancer promptly after class to help keep our lobby clear.

CLASS PLACEMENT & CANCELLATIONS: Students will be placed in classes based on age, but upon further revision may be recommended to change levels to better suit their ability. If a class enrollment falls below 5 students, the class may be cancelled or combined with another class at a different time.
