## INTERESTED IN A VIBE COMPETITION TEAM?

This packet is designed to give you more information on what to expect from a Vibe Competition Team. Once Vibe's Competition Team Auditions are completed and teams are organized, a finalized packet will be completed to provide more detailed information. Please contact Vibe with any further questions.

### About:

Vibe Dance Center's Competition Teams (ages 7-18) are a wonderful opportunity that allow dancers a chance to perform on multiple stages, be exposed to other dance works, and receive a variety of feedback from adjudicators to enhance their dancing. While Vibe's competitive teams are designed for dancers who are looking to take their talents to the next level in a more serious environment, these teams also offer a unique and valuable bonding experience.

What are we looking for? Attitude, Respect, Commitment, & Effort. No gossip, negativity, or unkind actions will be tolerated. Dancers need to show that they are serious about committing themselves to a team and that they will work towards excellence through the *entire* year. Although we want dancers to be well-rounded and successful in other areas of their lives...a competitive team needs to come as a priority.

The information in this packet is highly based on Vibe's 2021-2022 Competition Team season and is meant to give you an idea of the financial responsibility and time commitment that would come from being on a competitive team. A complete and finalized competition team packet will be available ASAP after auditions. Visit our website to view last years completed packet for more details.
